Western University
Upgrading MATLAB
Windows | Macintosh | Linux

If you have a student copy of MATLAB and you want to install the latest release, use the instructions below to complete the installation.

> ## STOP! Always check if your system is supported <u>before</u> upgrading:
> ### http://www.mathworks.com/support/sysreq/current_release/

MATLAB must be closed.

- **Go to the MathWorks website: www.mathworks.com**

- **Select 'Log In' then enter your account details**

- **After you have logged in, select 'Download'**

- **Choose the newest release (or the version you want)**

- **Select your Platform (Win / Mac OSX / Linux)**

- **Select Installation Method -> Log in with a MathWorks Account**

- **Select the license number -> 964054**

- **When asked, enter Western's current activation key.**

2016-17 MATLAB activation key (exp. July 1, 2017):
75326-49488-26573-18439-47936

Complete installation details are found on the 'student-install.pdf' document.

Continue until the installation process is complete.
